Love's Not an Obstacle

Metronomy

Yeah, nobody's watching us, keep
Holding my hand
I spent fourteen weeks with fourteen loversYeah, anything's possible and
Love's not an obstacle
I spend fourteen weeks with fourteen lovers
I've got an appetite
And seeing the feeling's right
Down to my fingertips
I'll take you away from this, butEverything's so complicated
I don't understand, translate it
Thought you'd be the one to save me
Love and understanding, babyYeah, anything's possible
When love's not an obstacleYeah, anything's possible
When love's not an obstacleEverything's so complicated
I don't understand, translate it
Thought you'd be the one to save me
Love and understand me, babyEverything's so complicated
I don't understand, translate it
