

By Way of Sorrow

Julie Miller

You've been taken by the wind
You have known the kiss of sorrows
Doors that would not let you in
Outcast and a stranger
You have come by way of sorrow you have come by way of tears
But you'll reach your destiny come to find you all these years
Come to find you all these years
You have drunk a bitter wine with none to be your comfort
you who once were left behind will be welcome at love's tables
You have come by way of sorrow you have come by way of tears
But you'll reach your destiny
You will one day come to know
You will one day come to know
All the nights that joy has slept will awake to days of laughter
Gone the tears that you have wept
You'll dance in freedom ever after
You have come by way of sorrow you have come by way of tears
But you'll reach your destiny
You will lay your burden down
You will lay your burden down
