

# Ruby

## Camille

Ruby, what am I gonna do with you  
Babe you choose what you wanna do  
Don't want my Ruby in the dust  
Lost and lonely babe then you must  
Understand that I am here  
And you come to me  
My Ruby Ruby, what a life you choose  
Babe you lose what you're trying to prove  
Don't want my Ruby in the dust  
Lost and lonely babe then you must  
Understand that I am here  
And you can come to me  
Understand that I am near  
And you belong to me  
My Ruby
