

# How to Talk to a Little Baby Goat

Tom T. Hall

How do you talk to a little baby goat?  
You can't go, "Meow" like a cat  
When you go, "Meow" to a little baby goat  
He can't go, "Meow" right back  
No you have to say, Baa to a little baby goat  
You can't say, Hello like a man  
You have to say, Baa to a little baby goat  
And that's all he understands  
How do you talk to a little baby goat?  
You can't go, "Cackle" like a hen  
When you go, "Cackle" to a little baby goat  
It doesn't mean a thing to him  
So you have to say, Baa to a little baby goat  
You can't say, Hello like a man  
You have to say, Baa to a little baby goat  
And that's all he understands  
How do you talk to a little baby goat?  
You can't go, "Quack" like a duck  
When you go, "Quack" to a little baby goat  
It just doesn't mean very much  
And so you can't go, "Meow cackle quack" to a goat  
You can't say, Hello like a man  
You can't go, "Meow cackle quack" to a goat  
Remember you have to say, Baa
