

Bad Blood (feat. F Stokes & Kenzie May)

Bastille

We were young and drinking in the park

There was nowhere else to go

And you said you always had my back

Oh but how were we to knowThat these are the days that bind you together, forever

And these little things define you forever, foreverAll this bad blood here, won't you let it dry?

It's been cold for years, won't you let it lie?If we're only ever looking back

We will drive ourselves insane

As the friendship goes resentment grows

We will walk our different waysBut those are the days that bind us together, forever

And those little things define us forever, foreverAll this bad blood here, won't you let it dry?

It's been cold for years, won't you let it lie?And I don't wanna hear about the bad blood anymore

I don't wanna hear you talk about it anymore

I don't wanna hear about the bad blood anymore

I don't wanna hear you talk about it anymoreAll this bad blood here, won't you let it dry?

It's been cold for years, won't you let it lie?
