

Alive

Empire of the Sun

Days go by my window
World slows down as it goes
Goodbye to last night
Lost my eyesight Can't you help me see?
They won't get right Loving every minute cause you make me feel so alive, alive
Loving every minute cause you make me feel so alive, alive
Alive, alive Waking in the snow
Tracing steps with you
Swimming through the snow
Wrapped in velvet gold Can't you help me see?
They won't get right Loving every minute cause you make me feel so alive, alive
Loving every minute cause you make me feel so alive, alive
Alive, alive Can you describe to me
All the world that you see?
Oh, I need it so much
I'll just wait Freedom is within you
Giving make us feel good
Hello! to my people
Say Hello! to the future Freedom is within you
Giving make us feel good
Hello! to my people
Say Hello! to the future Loving every minute cause you make me feel so alive, alive
Loving every minute cause you make me feel so alive, alive
Alive, alive Loving every minute cause you make me feel so alive, alive
Loving every minute cause you make me feel so alive, alive
Alive, alive
