

# Overjoyed (feat. Jamie WilliamS.)

**Jennifer Hudson**

Over time,  
I've been building my castle of love  
Just for two  
Though you never knew you were my reason  
Gone much too far, for you now to say  
That I've got to fold my castle away over dreams  
I have picked out a perfect come true  
Though you never knew it was a view I've been dreaming  
Sandman has gone I'm too far away  
For you to say come that's some other day Chorus  
And though you don't believe that  
They do they do come true  
For did my dreams come true when I looked at you  
And maybe too you would believe you too might be  
Overjoyed over love over me over harms I've had painfully turned every stone  
Just to find I have found what I searched to discover  
I've come much too far for me not to find  
The love that I said could never be mine
