

# Reason

Melanie C

So you put your cards on the table  
You're here, you're willing and able  
Do you really understand the challenge you've set yourself  
You know I want to adore you  
Can't believe how life was before you  
I must apologize, please understand I'm so demanding

Don't need to be cruel  
I never felt that with you  
Trouble is I'm a danger to myself  
Don't want to push you away  
I really want you to stay  
Until I figure this out, won't you

Please, come take me over  
Let me leave me for awhile  
Maybe when I'm older  
I'll understand the reason why  
Understand the reason why

Every day is here to remind me  
That the past is always behind me  
Something I can never change but I won't let it hold me back  
You arrived just in time  
Now I know I'll be fine  
I'm not ashamed to say you truly are my inspiration

Don't need to be cruel  
I never felt that with you  
Trouble is I'm a danger to myself  
Don't want to push you away  
I really want you to stay  
Until I figure this out, won't you

Please, come take me over  
Let me leave me for awhile  
Maybe when I'm older  
I'll understand the reason why  
Understand the reason why

Might not be forever  
Baby whatever  
We've got today, won't you

Please, come take me over  
Let me leave me for awhile  
Maybe when I'm older  
I'll understand the reason why

Please, come take me over  
Let me leave me for awhile  
Maybe when I'm older  
I'll understand the reasons why  
Understand the reason why
