

# Someone (Jan Vervloet Remix)

DHT

You can't eat, you can't sleep  
You can weep when you love someone  
It feels extreme when you dream  
An' you scream when you love someone If you feel that strong  
Can you see that one  
Let me be your Someone to hold you tight  
Someone to make you feel all right  
Every day and night  
I wish I was your someone Someone to hold you when you're weak  
Someone to make you feel complete  
Every day and night  
I wish I was your someone Don't you know, I will go  
If you show that I can break through  
It feels extreme when you dream  
And you scream when you love someone If you feel that strong  
Can you see you're the one  
Let me be your Someone to hold you tight  
Someone to make you feel all right  
Every day and night  
I wish I was your someone Someone to hold you when you're weak  
Someone to make you feel complete  
Every day and night  
I wish I was your someone And I hold you tight, you're still on my mind  
I can't stand to live without you  
And I can't forget you  
Wherever you are, you're still on my mind Someone to hold you tight  
Someone to make you feel all right  
Everyday and night  
I wish I was your someone Someone to hold you when you're weak  
Someone to make you feel complete  
Every day and night  
I wish I was your someone Someone to hold you tight  
Someone to make you feel all right  
Every day and night  
I wish I was your someone
