

# I Remember

[Damien Rice](#)

Advisory - the following lyrics contain explicit language:

I remember it well  
The first time that I saw  
Your head around the door  
'Cause mine stopped workin'I remember it well  
There was wet in your hair  
I was stood in stare  
And time stopped movin'I want you here tonight, I want you here  
'Cause I can't believe what I found  
I want you here tonight want you here  
Nothing is taking me down, down, downI remember it well  
Taxied out of a storm  
To watch you perform  
And my ships were sailingI remember it well  
I was stood in your line  
And your mouth  
Your mouth, your mouthI want you here tonight, I want you here  
'Cause I can't believe what I found  
I want you here tonight want you here  
Nothing is taking me down, down, downExcept you my love  
Except you my loveCome all you lost  
Dive into moss  
And hope that my sanity covers the cost  
To remove the stain of my love in paper macheCome all you reborn  
Blow off my horn  
I'm driving real hard  
This is love, this is pornGod will forgive me  
But I  
I whip myself in scorn, scornI wanna hear what you have to say about me  
Hear if you're gonna live without me  
I wanna hear what you want  
I remember DecemberAnd I wanna hear what you have to say about me  
Hear if you're gonna live without me

I wanna hear what you want  
What the hell do you want?
