Daddy

Ten Foot Pole

Sorry, I just had to call
Don't want to wear you out on me
But I need someone to listen
You don't even have to speakSorry to make such a fuss
I know these things will happen
Now and then if you bear with me
I promise this will never happen again
Not again, never againDaddy won't hurt me
This time it was all my fault
I'll be a good girl
And he won't have to get so mad
He won't have to get soHe does so much for me
I know he loves me deep inside
From now on I'll be so good
I will never hurt his prideI guess I got what I deserved
And it does no good to cry
From now on I'll be good
This time I will really tryDaddy won't hurt me
This time it was all my fault
I'll be a good girl
And he won't have to get so mad
He won't have to get soThank you, I'm so happy now
How was your day?
I'd really like to see you soon
When will you be out this way?I'm so glad that you were home
Gave me a chance to think it through
Let's not mention this again
The only one I ever told was you
Only you, only youDaddy won't hurt me
This time it was all my fault
I'll be a good girl
He won't have to get so mad
He won't have to get so
