

Can You Feel It

Family Force 5

Make a big deal of it You spit that trash up on me
I'm dodgin' sticks and stones
You fly off at the handle
You crash like Dow Jones Unstoppable
Drop droppable
Beats like bubble wrap
Pop pop poppable
Ya ain't got it, Well then you want it
Yes we got it, and yeah we flaunt it Oh so dope
Y'all know what I'm sayin'
Oh oh so dope
Son you know I ain't playin' Can ya feel it, feel it
Ears drums gettin' love, can ya feel it
Can ya feel it, feel it
I feel, you feel, make a big deal of it
Hey, feel it
Hey, feel it
Hey, can ya feel it
I feel, you feel, make a big deal of it You're powers are useless
You're bark and no bite
Your Haterade is pourin'
It tastes like Krypto-Light Name-droppable
Non-stoppable
Script flipped so hard
That I'm now unstoppable
Ya ain't got it, well then you want it
Yes we got it, and yeah we flaunt it Oh so dope
Y'all know what I'm sayin'
Oh so dope
Uh-uh, I ain't playin' Can ya feel it, feel it
Ears drums gettin' love, can ya feel it
Make 'em feel it, feel it
I feel, you feel, make a big deal of it
Hey, feel it
Hey, feel it
Hey, can ya feel it
I feel, you feel, make a big deal of it Hey, worldwide, southside
Uh, worldwide, uh, uh, southside I'm the number one gun son
Bullets come down in the millions

I'm blowin' up like Bubble Yum
All the way from Tokyo to London, yeah Can ya feel it, feel it
Ear drums gettin' love, can ya feel it
Can ya feel it, feel it
I feel, you feel, make a big deal of it
Hey, can ya feel it
Hey, feel it
Hey, can ya feel it
I feel, you feel, make a big deal of it
