

# She Tried (feat. Lil Wayne, Ja Rule & Birdman)

## N.O.R.E.

Fresh pack of Boga Mills  
Empty bottle of Azteca  
Empty bottles of Nuvo  
Only one problem is Bitch tried to kiss me after head  
Fuck wrong with your head?  
She tried to kiss me after head  
Fuck wrong with your head?  
She tried to kiss me after head  
Fuck wrong with your head?  
She tried to kiss me after head  
I kicked her out my bed Okay, we left the club around 3  
Headed back to that room  
Yea, it's time for that dome  
'Cause we checkin' out 'round noon  
She said damn N.O.R.E. so cold  
Keep it up, always no doors  
Look at that ass, shorty on swol'  
We could just go go go go  
How bout some back shots?  
Do it missionary  
Whip out my laptop, pulled out my dictionary  
And I got head right off the whip  
Then she came out up my lips  
I'm like bitch what part is this? Bitch tried to kiss me after head  
Fuck wrong with your head?  
She tried to kiss me after head  
Fuck wrong with your head?  
She tried to kiss me after head  
Fuck wrong with your head?  
She tried to kiss me after head  
I kicked her out my bed Still gettin' head all in that whip  
Without crashing that shit  
You see me passing some Crys  
You know I'm smashing that bitch now listen  
Last night I had a new ho with a Molly on and a Neuvo  
She want to leave in my two door  
She was on the D you know Cool Moe  
Freaks come out at night  
I see she 'bout that life

Feed that bitch that pipe  
Skeet skeet like more than twice  
I'm getting head like once again and she came up out my lips  
That's one part I'm just not with bitch tried Bitch tried to kiss me after head  
Fuck wrong with your head?  
She tried to kiss me after head  
Fuck wrong with your head?  
She tried to kiss me after head  
Fuck wrong with your head?  
She tried to kiss me after head  
I kicked her out my bed I had to tell her, I had to tell her, I had to tell her man  
I said baby girl, mamita senorita  
We could've did what we did, what we're supposed to do  
But after you did what you did, eww Bitch tried to kiss me after head  
Fuck wrong with your head?  
She tried to kiss me after head  
Fuck wrong with your head?  
She tried to kiss me after head  
Fuck wrong with your head?  
She tried to kiss me after head  
I kicked her out my bed
