

# Running in the Dark

## Psychic Twin

In the night  
I think of you  
Don't know, don't know  
What I'm supposed do  
And when I wake, you're always on my mind  
I try, I try  
To undo what I've done  
So I run, so I runIn the night, you're always on my mind  
I try, I try  
To undo what I've done  
So I run far away from you, from you  
So I run far away from you, from you  
So I run far away from you, from you  
So I run far away from you, from you  
In the night, you're always on my mind  
I try, I try  
To undo what I've done  
So I run far away from you, from you  
So I run far away from you, from you  
So I run far away from you, from you  
So I run far away from you, from you  
So I run far away from you, from you  
So I run far away from you, from you  
So I run far away from you, from you  
So I run, So I run
