Love You More

Racoon

Clouds above go sailing by
I found my meaning in this life
Clear white is flying in my eyes
Underneath a blue, blue skyThe waves come rolling in with the tide
Ive been away too long and everyday, I missed you more
You look like you did before only prettier
Everyday, I love you moreAll the people rushing by, by, by
Looking for meaning in this life
So used up, and blinded by lies
Theyre underneath the blue, blue sky
The way they seldom seem to smile, I dont know whyCause Ive been away too long
And every day I missed you more
You look like you did before only prettier
Everyday, I love you more, I love you more
Everyday, I love you more and more'Cause Ive been away too long
And everyday, I missed you more
You look like you did before only prettier
And every day I missed you more
And more and more and more and moreIve been away too long
And everyday I missed you more
Oh, you look like you did before only prettier
Everyday, I love you more, I love you more
Everyday, I love you more
