

No Words No More

Love and Rockets

Advisory - the following lyrics contain explicit language:

Even the laziest devil sits on your youth and you cry
He watches your mistakes until the day you die
And then someone appears to assist you
This one puts a different doubt in your mind
No words, no words, no words, no words, no more
No words, no words, no words, no reasons why?
No words, no words, no words, no more
I need no words, no words, no words, no reasons why?
Some people like to swim in pools under blue sky
Some people further down the road than you and I
They like the blue light, the light I always find
Some people further down the road than you and I
They say, "No words, no words, no words, no words, no more
No words, no words, no words, no reasons why?
No words, no words, no words, no words, no more
I need no words, no words, no words, no reasons why?"
