You've Changed

Gleams

You've changed
That sparkle in your eyes has gone
Your smile is just a careless yawn
You're breaking my heart, you've changed
You've changed
Your kisses now are so blaze
You're bored with me in every way
I can't understand, you've changed
You've forgotten the words, I love you
Each memory that we've shared
You ignore every star above you
I can't realize you ever cared
You've changed
You're not the angel I once knew
No need to tell me that we're through
It's all over now, you've changed
You've forgotten the words, I love you
Each memory that we've shared
You ignore every star above you
I can't realize you ever cared
You've changed
You're not the angel I once knew
No need to tell me that we're through
It's all over now, you've changed, I miss you
