# Too Good To Say Goodbye

## Bruno Mars

I've made mistakes
I could have treated you better
I let you get away
There goes my happily ever afterTell me why, why can't we try and start again?
This can't be how our story ends
You're more than my girl, you're my best friend
Tell me you remember when
Oooh, I was your man and you were my girl
It was you and me against the worldBaby, ain't nobody gonna love me like the way you do
And you ain't never gonna find a love like mine
Tell me what can I do to make it up to you?
'Cause what we got's too good to say goodbye, goodbyeYeah, I'm still in love with you darlin'
I know you feel the same
Oh, what's the point of both of us being broken hearted?
I pray it's never too lateSo tell me, why, why can't we try and start again?
This can't be how our story ends
You're more than my girl, you're my best friend
Tell me you remember when
I was your man and you were my girl
It was you and me against the worldBaby, ain't nobody gonna love me like the way you do
And you ain't never gonna find a love like mine
Tell me what can I do to make it up to you?
'Cause what we got's too good to say goodbye, goodbye(Oh, don't you give up)
Girl won't you listen?
(Don't you give up)
It's you that I'm missin'
(Don't you give up)
Take my hand, I wanna go, I wanna go
(All the way)
If we're gonna fight this fight for better days
I know we're gonna make it
This is the chance, let's take itBaby, ain't nobody gonna love me like the way you do
(No, no, no, no)
And you ain't never gonna find a love like mine
Tell me what can I do to make it up to you?
'Cause what we got's too good to say goodbye
(Come on, come on, come on) goodbye (Oh baby)
Baby, ain't nobody gonna love me like the way you do
And you ain't never gonna find a love like mine

(Oh, tell me)
Tell me what can I do to make it up to you?
'Cause what we got's too good to say goodbye, goodbye
