

Northern Lights (Taken By Trees x Belief Remix)

Kate Boy

See the fire, watch it grow
Even when I've got my eyes closed, oh
 Sleeping deep into me
I can feel you breathing in my bonesAnd I follow blind
 Through a tunnel mind we meet
 And it's burning bright
And I feel it cry for meReaching out for the northern lights
 Leave it all behind
 Reaching up for the neon sky
Now our stars alignAnd everything we touch turns to gold
 Never ever let go
'Cause everything we touch turns to gold
So never ever let goColour in, colour out
See my breath and feel the ice-white heat
 Pick me up, slam me down
'Cause my heart is hearing every beatAnd I follow blind
 Through a tunnel mind we meet
 And it's burning bright
And I feel it cry for meReaching out for the northern lights
 Leave it all behindAnd everything we touch turns to gold
 Never ever let go
'Cause everything we touch turns to gold
 So never ever let go
