One Plus One Is One

Badly Drawn Boy

Back to being who I was before
Opened all the doors you try to close
And how did that make me feel
I cracked the ceilin', I stared at it too long
Tried to right the wrongs reverse the flow
Now everybody's waiting outsideTrying to feel what's going on inside
Tried to turn the tide and we failed
As the past meets the future it gets clearer that It all boils down to loveAnd please give me some peace
Please give me some peaceWhy can't you see that one plus one is one
Much greater then the sum of the past
And nobody's waiting outsideFailed to see I hid behind the sum
It's time to take the gun out of life
Do be da do be da dooNow every seed is like the one before
Time to close the doors on myself
As the past becomes the future it gets clearer That it all boils down to love
