

Fight It

Pennywise

Something's gone wrong today
What are we fighting for?
There's got to be something better
So finally we'll find a way
We've got to fight it, today
We've got to fight it, it won't go away
We've got to fight it, today
What are you fightin' for? Just make some noise, go away
We still have a chance today
What are you waitin' for?
We know we can't make it better
So united we'll find a way
We've got to fight it, today
We've got to fight it, it won't go away
We've got to fight it, today
What are you fightin' for? Just make some noise
Whoa yeah, find something better, won't waste your time
Whoa yeah, seeing them cry out, won't change your mind
Whoa yeah, we know you want something better
Whoa yeah, what are you fighting for? It's got to stop today
We've got to fight it, today
We've got to fight it, it won't go away
We've got to fight it, today
What are we fightin' for? Just make some noise
Whoa yeah, find something better, won't waste your time
Whoa yeah, seeing them cry out, won't change your mind
Whoa yeah, we know you want something better
Whoa yeah, what are we fighting for? It's got to stop today
We've got to fight it, today!
