

Where Is The Feeling? (West End TKO Mix)

Kylie Minogue

There's nobody better, better than you
You make me feel happy
Happy, happy to know you But where is the feeling?
The feeling of security
When we're not together
Tell me everything's gonna be alright
It's just no use, can't get over you Anytime you want me to
I can make you happy (I can make you happy)
There ain't nothing I wouldn't do (anytime)
To make you happy Anytime you want me to
I can make you happy (I can make you happy)
There ain't nothing I wouldn't do (anytime)
To make you happy
Tell me I'm crazy
Maybe since you've been gone
They don't understand that together
Together we're one But where is the feeling?
The feeling of security
When we're not together
Tell me everything's gonna be alright
It's just no use, can't get over you Anytime you want me to
I can make you happy (I can make you happy)
There ain't nothing I wouldn't do (anytime)
To make you happy Anytime you want me to
I can make you happy (I can make you happy)
There ain't nothing I wouldn't do (anytime)
To make you happy
When we're not together
Tell me everything's gonna be alright
When we're not together
Tell me everything's gonna be alright
When we're not together
Tell me everything's gonna be alright
When we're not together
Tell me everything's gonna be alright
When we're not together
Tell me everything's gonna be alright
When we're not together

Tell me everything's gonna be alright Anytime you want me to

I can make you happy (I can make you happy)
There ain't nothing I wouldn't do (anytime)
To make you happy Anytime you want me to
I can make you happy (I can make you happy)
There ain't nothing I wouldn't do (anytime)
To make you happy Anytime you want me to
I can make you happy (I can make you happy)
There ain't nothing I wouldn't do (anytime)
To make you happy Anytime you want me to
I can make you happy (I can make you happy)
There ain't nothing I wouldn't do (anytime)
To make you happy Anytime. I'll make you happy
Ooh hey yeah, I'll make you happy
Ooh, I'll make you happy
Ooh ooh yeh, there ain't nothing
I wouldn't do, yeah oh oh oh ooh ooh
Aah, hey yeah, oooh, yeah yeah yeah
I'll make you happy, ooh yeah, ow ow ow ow
Oh yeah I will, oh yeah I will
