

# Hymnals

## Grizfolk

We're high and dry from the spark

So we hide and lie and we hope to lose control And we don't know what we're waiting for

And we don't know the truth anymore

And we can't see clearly through the fog

And we'll end up chasing ghosts Outside these walls we're criminals

They chase us down, we're singing hymnals We tried so hard to cope

We fell so many times, we learned to climb without a rope And we don't know what we're waiting for

And we don't know the truth anymore

And we can't see clearly through the fog

And we'll end up chasing ghosts Outside these walls we're criminals

They chase us down, we're singing hymnals If somebody told me this was a calling I wouldn't hang it up to dry

If somebody told me I shouldn't be stalling I wouldn't feed the world a lie Outside these walls we're criminals

They chase us down, we're singing hymnals
