Too Far Apart

Matthew James Scott

You came to meet me, out on the line
You couldn't believe I was feeling fine
When I really needed you, you were gone
So long
We were too far apart
Right from the start
I couldn't be any closer to you now
Is it really punk rock, like the party line?
Do you have to think about that? Can I give you some time?

'Cause when I really needed you, you were gone
So long
We were too far apart
Right from the start
And I couldn't be any closer to you now
Too far apart
Right from the start
And I couldn't be any closer to you now
