

We Only Come Out at Night

The Smashing Pumpkins

Paint your face, tonight we terrorize this town.

Coffin case, we gather, our time is now.

Ten thirty-one, we roam the streets in thirst of blood, it all begins.

 All begins, with tonight.

We are the children of the night.

We are the children of the night.

We are the children of the night.

 Children of the night.

We are, we are children of the night.

 And we are rising from the grave.

To haunt you in your sleep and drink you from your neck.

 We only come out at night

 We only come out at night

 We only come out at night

 We only come out at night, Oh!

We are, we are the children of the night,

 and we are rising from the grave.

to haunt you in your sleep and drink you from your neck

 we are, we are the children of the night,

 and we are rising from the grave, the grave,

to haunt you in your sleep and drink you from your neck
