

Memory (From "Cats")

Collabro

Midnight
Not a sound from the pavement
Has the moon lost her memory
She is smiling alone In the lamplight
The withered leaves collect at my feet
And the wind begins to moan Memory, all alone in the moonlight
I can dream of the old days
Life was beautiful then
I remember the time I knew what happiness was
Let the memory live again
Every street lamp seems to beat
A fatalistic warning
Someone mutters and the street lamp sputters
Soon it will be morning Daylight
I must wait for the sunrise
I must think of a new life and
I mustn't give in
When the dawn comes
Tonight will be a memory too
And a new day will begin Burnt out ends of smoky days
The stale cold smell of morning
A street lamp dies
Another night is over
Another day is dawning
Touch me,
It is so easy to leave me
All alone with the memory
Of my days in the sun
If you'll touch me,
You'll understand what happiness is
Look, a new day has begun...
