## War

## Kierra "kiki" Sheard

Cultivate a war breed Get the head your soul needs Crystallice at light speed Dis the lies that they feed Cultivate a war breed Get the head your soul needs Crystallice at light speed Dis the lies that they feed, that they feed We're burning out of control War a state of mind War our hearts are blind War is nature dead War, war Holy war, tears of man drop your front baby Obey the command Holy war, tears of man drop your front baby Obey my command Split the lip that dope feeds Exterminate the bad seed Tread the path that monks breathe Ride the horse that runs free, that runs free We're burning out of control War a state of mind War our hearts are blind War is nature dead War, war Holy war, tears of man drop your front baby Obey the command Holy war, tears of man drop your front baby Obey my command Lies, drugs, hate, guns God, fear, flies, sex Lies, drugs, hate, guns

God, fear, flies, sex We're burning out of control War a state of mind War our hearts are blind War our hearts are blind War is nature dead War, war Holy war, tears of man drop your front baby Obey the command Holy war, tears of man drop your front baby Obey my command
