

# When My First Wife Left Me

**John Lee Hooker**

When my first wife left me, she left my heart in misery

When my first wife left me, she left my heart in misery

Ever since that day, boy, I don't think I'll ever love againIf I can get her back again, I'll never roam no more

If I get her back again, boys, I'll never roam no more

I had a good wife, but I did not treat her rightIt's my fault; only have myself to blame

It's my fault, it's my fault, boys; I only have myself to blame

She would have been home right now if I hadn't wanted every woman that I seenI found out one thing: these  
women don't mean you no good

I found out one thing, people: these women don't mean you no good

You mistreated a good girl for some woman that she'd turn around and turn her back on you

Yes, yeahI'm having bad luck, having bad luck ever since she been gone

I'm having bad luck, bad luck, bad luck, ever since my baby been gone

When she was at home, Lord, I did not treat her right
