Enemy Within

Rev Theory

Ain't got nothing to fake
Ain't got nothing to prove
Another loose cannon
I'm a bad motherfucker
And I ain't got nothing to lose
I don't need your hidden agenda
I don't need what you're trying to sell
All I see is another pretender
Sit back and watch me set the
World on fire
Watch him as he burns up the sky
'Cause the enemy within
Lives underneath the skin
So set the world on fire
Ain't got no one to blame
I'm done playing the fool
So light a match to the face
And the mirror
'Cause it's time to face the truth
I don't need my hidden agenda
I don't even trust myself
All I see is another pretender
Sit back and watch me set the
World on fire
Watch him as he burns up the sky
'Cause the enemy within
Lives underneath the skin
So set the world on fire
I don't wanna live with my enemy within
I don't wanna live with my enemy within
I don't wanna live with my enemy within
I don't wanna live with my enemy within
I don't wanna live with my enemy within
I don't wanna live with my enemy within
World on fire
Watch him as he burns up the sky
World on fire
Watch him as he burns up the sky
'Cause the enemy within

Lives underneath the skin
So set the world on fire
I don't wanna live with my enemy within
I don't wanna live with my enemy within
I don't wanna live with my enemy within
I don't wanna live with my enemy within
