Striving

Dave Hollister

Yeah, a little song we gotta call striving
We gotta keep moving
No matter what the obstacle, no matter what the test
We gotta push through it, here to help you
Every day of the week when I'm sleep
He's got His angels watching over me
Interceding for me, looking out for me
Now tell me how good is He
No, no, no, no, no, no, no, no, no, no, never give up
Keep on striving
No, no, no, no, no, no, no, no, no, no, never give up
Keep on, keep on striving
Sitting here all alone, I'm in the zone on the phone
Trying to find the dial tone
Looking for some healing, not a fake feeling
Tell me do you feel me
I didn't know who to call, no friends at all
'Til I heard a voice in my head
It said keep pressing on and keep striving, striving on
Every day of the week when I'm sleep
He's got His angels watching over me
Interceding for me, looking out for me
Now tell me how good is He
No, no, no, no, no, no, no, no, no, no, never give up
Keep on striving
No, no, no, no, no, no, no, no, no, no, never give up
Keep on, keep on striving
Put your trust in Him and you'll see you'll never go wrong
Keep your faith strong and hold on
Try and you will see that Jesus Christ is the entity
That's why He's real to me, He made a way out of misery
Every day of the week when I'm sleep

He's got His angels watching over me
Interceding for me, looking out for me
Now tell me how good is He
No, no, no, no, no, no, no, no, no, no, never give up
Keep on striving
No, no, no, no, no, no, no, no, no, no, never give up

Keep on, keep on striving
Every day of the week when I'm sleep
He's got His angels watching over me
Interceding for me, looking out for me
Now tell me how good is He
No, no, no, no, no, no, no, no, no, no, never give up
Keep on striving
No, no, no, no, no, no, no, no, no, no, never give up
Keep on, keep on striving
Keep on striving, keep on striving, keep on striving
Never give up, never give up
Keep on striving, keep on striving, keep on striving
Never give up, never give up
Keep on striving, keep on striving, keep on striving
Never give up, never give up
Keep on striving, keep on striving, keep on striving
Never give up, never give up
Get out right now, it's the end of you and me
It's too late, can't wait for you to be gone
Get out right now, it's the end of you and me
It's too late, can't wait for you to be gone
Get out right now, it's the end of you and me
It's too late, can't wait for you to be gone
Get out right now, it's the end of you and me
It's too late, can't wait for you to be gone
