

# Phenomenon

## Family Force 5

Hands up in the sky  
Don't care why  
You feel like you could fly  
We are phenomenon I'll show you love if you show me love  
Phenomenon  
I'll show you love if you show me love  
Phenomenon Hands up in the sky  
Don't care why  
You feel like you could fly  
We are phenomenon  
We are phenomenon  
Phenomenon  
We are phenomenon I'll show you love if you show me love  
Phenomenon  
I'll show you love if you show me love  
Phenomenon Phenomenon  
We are phenomenon I'll show you love if you show me love  
Phenomenon I'll show you love if you show me love  
Love, love, love, love, love, love, love, love, love, love  
We are phenomenon
