Hooray for Hollywood

Don Swan

Take me on, what ever went wrong
Your tongue on my tongue makes me feel better
Our first kiss a slap on the wrist
My heart is a fist and you're left center
Gimme gimme gimme your attention
Strange ways babe
I only wanna move like you move
I'm watching you
ooh woahhh
Hooray for Hollywood
la la la la la la (x8)
Be my lips, I'll get my kicks
You get your fix, and we'll go out dancing

You're so low, I'm watching you glow
The last picture show
I only wanna move like you move
I'm watching you
ooh woahhh
Hooray for Hollywood
la la la la la la (x8)
River Phoenix, James Dean, Corey Haim, Brandon Lee
Michael Jackson, George Reeves, Sharon Tate, Britney Murphy
Heath Ledger, Freddie Prinze, Marilyn, The Lizard King
Natty Wood, John Belushi, Janis, Jimi, Amy, Whitney
ooh woahhh
Hooray for Hollywood
la la la la la la (x8)
