Hot Shot

Barbara Tucker

They call me Mr
(Hot shot)
Baby, can I do my thing?
(Don't stop)
Girl, I like the vibe you bring
(Knock knock)
Open up and let me in
We can do most anything tell me do you like my swing(Hot shot)
Baby, can I do my thing?
(Don't stop)
Girl, I like the vibe you bring
(Knock knock)
Open up and let me in
We can do most anything tell me do you like my swingWell, tell me if you no hear
How the reggae lover him a run things this year
New tune for buss and me have lyrics for spare
No need to fear
Girl if you down with Mr. Lover put you finger inna the air
I love you walk
And I even like the raunchy way that you talk
You're the kinda girl that all the fellas all a stalk
Hound dogs a bark girl
Come let me discombobulate your partsThey call me Mr
