

# It's True

## Benn Finn

In your heart you know it's true  
Though you hold no expectation  
    In the deepest part of you  
    There's an open hesitation  
But it's true, kingdoms and crowns  
A God who came down to find you  
    It's true angels on high  
    Sing through the night, Alleluia  
    Heard it told you, think it's odd  
The whole thing fraught with complication  
    The play begins with Baby God  
    And all His blessed implications  
But it's true, kingdoms and crowns  
A God who came down to find you

    It's true angels on high  
Sing through the night, Alleluia, Alleluia, Alleluia  
    But it's true, kingdoms and crowns  
    A God who came down to find you  
    It's true angels on high  
    Sing through the night, Alleluia  
    But it's true, kingdoms and crowns  
    A God who came down to find you  
    It's true, oh, angels on high  
    Sing through the night, Alleluia  
    In your heart you know it's true  
    In the deepest part of you  
    It's true, it's true
