

# He Was Really Sayin' Somethin'

## The Velvelettes

I was walkin' down the street  
When this boy started following me  
Though I ignored all the things he said  
He moved me in every way  
With his collar unbuttoned  
By my side he was struttin'

He was really sayin' somethin'  
Really sayin' somethin'  
(Bop bop soo-be-do-wa)  
(Bop bop soo-be-do-wa)

He flirted every step of the way  
I could hear every word he'd say  
My resistance was gettin' low  
And my feelings started to show  
My heart started pumpin', blood pressure jumpin'

He was really sayin' somethin',  
Really sayin' somethin'  
(Bop bop soo-be-do-wa)  
(Bop bop soo-be-do-wa)

He walked me to my door  
I agreed to see him once more  
Late night it may not be  
But he moved me tremendously  
Though he was bold, my heart he stole  
He was really sayin' somethin',  
Really sayin' somethin'  
(Bop bop soo-be-do-wa)  
(Bop bop soo-be-do-wa)

He was really sayin' somethin'
