Loved You First

One Direction

Zayn:
Girl it should be me
Driving to your house
Knocking on your door
Kissing you on the mouth
Liam:
Holding on your hand
Dancing in the dark
Cos I was the only one
Who loved you from the start
Harry:
But now when I see you with him,
It tears my world apart
Because
Chorus:
I?ve been waiting
All this time to finally say it
But now I see your heart?s been taken
And nothing could be worse
Baby, I loved you first.
Had my chances
Could've been where he is standing
That?s what hurts the most,
Girl, I came so close
But now you?ll never know
Baby, I loved you first
Louis:
Girl it should be me
Calling on your phone
Saying you?re the one
And that I?ll never let you go
Harry:
I never understood
What love was really like
But i felt it for the first time
Looking in your eyes

Liam:
But now when I see you with him

My whole world falls apart
Because
Chorus:
I?ve been waiting
All this time to finally say it
But now I see your heart?s been taken
And nothing could be worse
Baby, I loved you first.
Had my chances
Could've been where he is standing
That?s what hurts the most,
Girl, I came so close
But now you?ll never know
Baby, I loved you first
Zayn:
First touch
The first kiss
First girl who made me feel like this
Heartbreak
It?s killing me
I loved you first, why can?t you see?
Niall:
I?ve been waiting all this time to finally say it
But now I see your heart?s been taken
And nothing could be worse
Baby, I loved you first.
All:
Had my chances
Could've been where he is standing
That's what hurts the most
Girl, I came so close
But now you'll never know
Baby, I loved you first
Baby, I loved you first (x3)
