

# Don't Take Everybody To Be Your Friend

## Sister Rosetta Tharpe

While sitting at home  
Talking to the Lord  
Some old hypocrite  
Has cast your name abroad  
But you take it to the Lord  
He will give you a reward  
Please don't take everybody to be your friend  
I said don't, don't take everybody for your friend  
Oooh don't, don't take everybody to be your friend  
You just bear this in mind  
A true friend is hard to find  
Please don't take everybody to be your friend  
Some will cause you to weep  
Some will cause you to moan  
Some will gain your confidence  
And cause you to lose your home  
You just bear this in mind  
A true friend is hard to find  
Please, don't take everybody to be your friend  
I said don't don't take everybody for your friend  
Oooh don't don't take everybody to be your friend  
You just bear this in mind  
Good friend is hard to find  
Please don't take everybody to be your friend
