Breaking My Heart

Maoli

The way that you have been treating me lately
Itâ€™s so messed up girl, you love me you hate me, whyâ€¦ why
Is this some kind of a game that youâ€™re playing
Is this your way of you driving me crazy, whyâ€¦ why
I do not like all these things youâ€™ve been saying
Like itâ€™s over your leaving me babyâ€¦why

Chorus:
Why do I like it when I hold you girl
When all you do is try to make things worse, Iâ€™m dyingâ€¦ah yeah
Take the moments when weâ€™re so in love,
One disagreement and we both break up, Iâ€™m crying
Why you keep breaking my heart

(Why do you, why do you want to break my) Why you
(Why do you, why do you want to break my) Why you want to break my heart
(Why do you, why do you want to break my heart) Baby yah yah
(Why do you, why do you want to break my) Why you
(Why do you, why do you want to break my) Why you want to break my heart
(Why do you, why do you want to break my heart) Ho yah

All these good times that we share together
Why canâ€™t we make it last forever, whyâ€¦why
All of these things that you have put me through
Your lying your crying â€“ Iâ€™m buying it, whyâ€¦why
Now itâ€™s time and I think that itâ€™s over
You and I were not meant to be lovers
I canâ€™t see, why we canâ€™t be in love

Chorus

I ainâ€™t never ever gonna hurt no more
You ainâ€™t never ever gonna hurt me no more
