The Best Is Yet To Come

Nancy Wilson

Out of the tree of life, I just picked me a plumb
You came along and everything starting to hum
Still it's a real good bet, the best is yet to comeThe best is yet to come and babe, won't it be fine
You think you've seen the sun but you ain't seen it shineWait till the warm-up is underway
Wait till out lips have met
Wait till you see that sunshine day
You ain't seen nothin' yetThe best is yet to come, and babe, won't it be fine
The best is yet to come, come the day you're mineCome the day your mine
I'm gonna teach you to fly
We've only tasted the wine
We're gonna drain that cup dryWait till your charms are right for these arms to surround
You think you've flown before but you ain't left the groundWait till you're locked in my embrace
Wait till I draw you near
Wait till you see that sunshine place
There ain't nothin' like it hereThe best is yet to come, and babe, won't it be fine
The best is yet to come, come the day you're mine
