

Song to the Siren

Robert Plant

Long afloat on shipless oceans
I did all my best to smile
'Til your singing eyes and fingers
Drew me loving to your isle Sail to me
Sail to me
Let me enfold you
Here I am
Here I am
Waiting to hold you Did I dream you dreamed about me?
Were you hare when I was fox?
Now my foolish boat is leaning
Broken lovelorn on your rocks
Touch me not, touch me not, O come back tomorrow
O my heart, O my heart shies from the sorrow I am puzzled as the newborn baby
I am troubled as the tide
Should I stand amid the breakers?
Or should I lie with death my bride?
Swim to me, swim to me, O come on let me unfold you
