

# Fat and Happy

## Carsie Blanton

when Iâ€™m fat and happy  
and high on the hog  
will you still be moanin like a three-legged dog  
will you still be lyin like a bump on a log  
when Iâ€™m fat and happy  
and high on the hog

when Iâ€™m fat and happy  
and rich as a roux  
will you know of anything better to do  
will you still be cryin cus you havenâ€™t a clue  
while Iâ€™m fat and happy  
and rich as a roux

I heard lately you been talkin trash  
I guess you wanted somebody to bash  
I say you better try to make amends  
cus your words may be bitter when you eat â€˜em again

when Iâ€™m fat and happy  
and hittin it big  
will you still be whinin like a suckling pig  
or will you be beggin to get on the gig  
when Iâ€™m fat and happy  
and hittin it big

I heard lately you been talkin trash  
I guess you needed somebody to bash  
I say you better go and drink your gin  
cus your words may be bitter when you eat â€˜em again

when Iâ€™m fat n happy  
and famous as fuck  
will you still be honkin like a canada duck  
or will you be crying cus youâ€™re shit outta luck  
while Iâ€™m fat and happy  
and famous as fuck
