Go Back

Thorne Empire

I hear the voices
Voices crying out
Voices screaming out
Go back, go back
Do it one more time

If I could go back
If I could go back
I wanna get this right
Do it over one more time

If I could do anything
I would go back, go back
Do it right this time
All the sins I feel
Are slowly drowning me
I wanna do it over one more time

If I could go back
If I could go back
Try it one more time
Try it one more time
Try it one more time

Go back, go back
Do it one more time
Go back, go back
Do it one more time
