That's why I used to sneak you in the club bruh
Just for that reason right there bruh
Aight bruh, let me just freestyle some more, 'cause this shit

I don't need it though, let's go
Let me just fuck with this shit Told a bitch you motherfucking right
Told a bitch you motherfucking right
Told a bitch you motherfucking right
Told a bitch you motherfucking right Mike told me this gon' be your favorite song
Ooh, wear that red one, that my favorite thong

Kiss your man after you sucked on my woo!
She called my phone, I told her I was at the stu
Last name Chainz, first name 2
Pull up on me, shawty you know what to do Told a bitch you motherfucking right
Told a bitch you motherfucking right
