Silly Me

The Scabs

Funny how love comes and goes
With the tears that fill my life, does it show?
So listen to my heart beat once again
Because of you I hope this feelin' never endsSilly me, I fell in love again
We started out as friends
You'd think I would have learned from the hurt before
Foolish me, should I have closed the door?
Promised even swore
To never love this way
Oh, foolish meThey say that, love's a chance you take
You know, I've had my share
But when the nights get oh so cold, I need you thereThey say that, love's a chance you take
You know, I've had my share
But when the nights get oh so cold, I need you thereSilly me, I fell in love again
We started out as friends
You'd think I would have learned
Oh, foolish me
Silly me
