Tell Me What You Want

Nivea

When I first met you, I really didn't think that much, whatever it be between us two, I wasn't trying to fall in love. But, somehow you knew that, I had been hurt before, because you did all the right things, and made me believe that you were the perfect one.
But then you switched it up, and started acting crazy, you said you was, not ready for a commited love. cause it was too soon. I wish that you had, told me this before I fell, Cause I can't handle it that well, I'm already loving you.
So tell me what you want, is my love not enough? The more I give, the more it seems that I'm not good enough. So tell me what you need, to make you love me. Because I'm giving everything, and you won't give nothing. So tell me what you want..
You say you love me, and you aint seeing no one else. If this is what you're love is like, I'd hate to see if you didnt care. why, you brought me here, coulda left me there, you made me open up my heart, you're not playing fair. Just like the others, made me your lover
and when i gave it up, you switched it up. and started acting crazy, you said you was, not ready for a commited love. because it was too soon. I wish that you had, told me that before I fell, Cause I can't handle it that well, I'm already loving you.
so tell me what you want. is my love not enough? the more i give, the more it seems, that I'm not good enough. so tell me what you need, to make you love me? Because I'm giving everything, and you won't give nothing. so tell me what you want.

so tell me...what you want...
and then you switched it up!! you said you was...you said you wasnt ready, cause it was too soon. You shoulda told me that. BEFORE I FELL!! cause i can't handle it.
so tell me what you want
yeah...
tell me,tell me
tell me what you need.
