Soul Searcher (Remastered in 2004)

Clannad

I can quote a lot of lines
That's pertinent to you and me
Life and all it's many choices
Are so funny and so mean
Deep thoughts in one's convictions
Can be someone's discontent
Just what seems isn't
If must needs the devil drives
Soul searcher what are you looking for?
Soul giver what will you settle for?
Back to the very beginning
Back to the future I don't mind
As long as philosophical people
Keep their minds alive
If we use the back pages
Of a bible of ages
If we could write it now
Well if must needs the devil drives
Soul searcher what are you looking for?
Soul giver what will you settle for?
Soul searcher what are you looking for?
Soul giver what will you settle for?
Alone searcher is owed a lot of love
Soul searcher what will you settle for?
