Tone It Down (Ft. Kidd Upstairs)

Demrick

Mama told me I should tone it down
They use to label me a problem child
But now I got this money, I get it all round
Im just a man that try make it outMama told me I should tone it down
They use to label me a problem child
But now I got this money, I get it all round
Im just a man that try to make it outTry to make it out but its the same
Bug it into that range, no
This path Im walk in the pavo
But all my dues pay all for
Since sneaking out of my window
Selling down all with my kido
We make nights drive with some coley
We have no idea what we here for
Just hold the fast hores
Day by day with all of that aswels
They break up and she can met the pussy
Im like where the fuck youre from?
New jaige, blow change
Mama like what the fuck you get that for?
Double in class, I barely pass but to get money it cant me make that dumb
Had my own plan, got my own bags and ?
Me and my team need an ?
You a shit if you dont chaise you own dreams
Nothing around me but go feed
Grown ass niggas they still?
They all use to tell me: Yu will see
Never second guess what will beMama told me I should tone it down
They use to label me a problem child
But now I got this money, I get it all round
Im just a man that try make it outMama told me I should tone it down
They use to label me a problem child
But now I got this money, I get it all round
Im just a man that try make it outHow knew ? that change your life
Of a young gun that try to make it right
Try make some change, make a why
Make a why, make it out so I sacrifice all my time for all my shine
Bullshit, Im all involve with it
I ant concern, roll the weed up let the paper burn

I came to hurt my spot, work for everything that I got
Miles when I gte my pain and my ?
Wish you made it all for that plug
I bet platting and ?
? tell me what you know bout all the weekend
What you know about the past and ?
Rolling throw the city with some back up
Now I got my money all stug up
You wanna know niga act up?
Drive me to the point with the shift ?
Where motherfucker noise is
But the pint is when all you motherfucker try to join meMama told me I should tone it down
They use to lay with me on probable ?
But now I got this money, I get it all round
Im just a man that try make it outMama told me I should tone it down
They use to lay with me on probable ?
But now I got this money, I get it all round
Im just a man that try make it out
