## The Teenagers

last week i took my step mum to see her auntie  
on day one i met her step daughter  
shes a cheerleader  
shes a virgin  
and shes really tanned  
as she stepped out of her massive car  
i could only notice she was more then fuckable  
i think she was coming back from a game or something  
cos she was holding those silly pom poms

on day two i fucked her  
it was wild  
shes such a slut

i fucked my american cunt  
i loved my english romance  
i fucked my american cunt  
i loved my english romance

it was dirty and and quick and through  
just like i like it  
shes got nice tits  
it was perfect and deep and true  
just like a song by blink 182

okay listen girls  
i met the hottest guy ever  
basically as i was stepping out of my SUV  
and came face to face with my step cousin or whatever who cares  
anyway he is totally awesome  
oh my god  
i think im love

i fucked my american cunt  
i loved my english romance  
i fucked my american cunt  
i loved my english romance

it was dirty and and quick and through  
just like i like it

shes got nice tits  
it was perfect and deep and true  
just like a song by blink 182

i fucked my american cunt  
i loved my english romance  
i fucked my american cunt  
i loved my english romance
