Under and Over

The Rifles

Man digging for money
Man digging for greed
Man digging for wars he's gonna make us bleed
Man digging the fields he's gonna build more roads
Man making prisons out of all our homes
There's a banging in my head that I just don't need
There's a sign on my back yeah but I can't read
Man got me choking like a dog on a lead
Man got me reaching for things I can't reach
Now you lead me toWater keeps on rolling under and over around
We keep on trying
Any which way that we can to make a living
Now you see so easy babe cause life's an open road
Man digging for money
Man dig black gold
Man looking for answers to a problem solved
Man digging the earth he's gonna make us bleed
Man always wants more than he needs
There's a banging in my head and I just can't breathe
There's a sign on my back but I still can't read
Man got me choking like a dog on a lead
Man got me reaching for things I can't reach
Now you lead me toWater keeps on rolling under and over around
We keep on trying
Any which way that we can to make a living
Now you see so easy babe cause life's an open roadIn to the flood, to the flood, to the flood
Water keeps on rolling under and over around
We keep on trying
Any which way that we can to make a living
Now you see so easy babe cause life's an open roadWater keeps on rolling under and over around
We keep on trying
Any which way that we can to make a living
Now you see so easy babe cause life's an open road
