

# Born Stubborn

## Sepultura

Stubborn from the start  
Obey no one no matter what?  
Our life it's our right  
Why don't you go away  
We live without orders  
We live without rules  
Tear down the walls  
That try to hold us in  
My tribe is my own right  
And I don't have to tell you why?  
It's been like that from the start  
You can't break apart  
Sepultura in our hearts  
Can't take it away  
These roots will always remain  
Born in pain  
Born stubborn  
Stubborn from the start  
Obey no one no matter what ?  
Our life it's our right  
Why don't you go away?

We live without orders  
We live without rules  
Tear down the wall  
That try to hold in  
Born in pain  
Born stubborn  
Born

My tribe is my own right  
And I don't have to tell you why?  
It's been like that from the start  
You can't break apart  
Sepultura in our hearts  
Can't take it away  
These roots will always remain  
Born stubborn  
Born in pain  
Born in pain

Suffering life make us rise
